

Mathilde TAHAR--MALAUSSENA

PhD in Philosophy of Biology
Université Toulouse 2-Jean Jaurès (ERRAPHIS)
Muséum National d'Histoire Naturelle (Institut de Systématique, Évolution, Biodiversité)

Research fellow in Philosophy of Biology at University College London

Agrégée de philosophie

Tel. +33 (0)6.16.35.72.50

Email : mathildetahar@gmail.com

Website: <http://www.drmathildetahar.com> ORCID: 0000-0001-6326-4669

Date of birth: October 11, 1991.

Nationality: French

Languages: French mother language; advanced English, Italian; reading of Latin and ancient Greek.

ACTUAL POSITION

Research fellow at University College London (Department of Anthropology) in the framework of Research Project *Animal inventiveness: a new insight on agency in evolution*, funded by the Leverhulme Trust (under the supervision of Dr Alecia Carter).

Qualified by the French National Counsel of Universities to be “Maître de conférences”, *i.e.*, to teach philosophy (qualification 17) and epistemology & history of science (qualification 72) at the university level. This qualification is awarded after a peer-reviewed process.

CURRENT ACTIVITIES

Co-organizer (with Caterina Zanfi) of the seminar “Atelier Bergson” (École Normale Supérieure de Paris – CNRS, in the framework of the IRN project “Global Bergsonism”), since 2022: <https://bergson.hypotheses.org/1938> ; <https://bergson.hypotheses.org/2591>

Member of the research group “Deconstructing Darwinism” (R. G. Delisle, M. Esposito and D. Ceccarelli), since 2021.

Member of the research group “Claude Bernard: Histoire et philosophie d’une théorie physiologique” (L. Loison, project funded by the “Politique Scientifique” of the Université Paris 1 Panthéon-Sorbonne), since 2019.

PREVIOUS POSITIONS

Assistant teacher at the Université de Rouen, 2021-2022.

Doctoral candidate at the Université Toulouse 2-Jean Jaurès and the Muséum National d'Histoire Naturelle, 2018-2022.

EDUCATION

2018-2022

Ph. D. in Philosophy of Biology.

At the Université Toulouse 2-Jean Jaurès (ED Allph@, Erraphis) and the Muséum National d'Histoire Naturelle (Institut de Systématique, Évolution, Biodiversité).

Dissertation subject: “Evolution beyond all finalism: Bergson’s critique of evolutionists”.

Advisors: Prof. Paul-Antoine Miquel (Université Toulouse 2-Jean Jaurès), and Prof. Pierre-Henri Gouyon (Muséum National d'Histoire Naturelle-CNRS).

Defence: September 23, 2022. Committee: Prof. Arnaud François (Université de Poitiers), Prof. Giuseppe Longo (CNRS, UAR 3608, École Normale Supérieure), Dr Matteo Mossio (CNRS, Université Paris I, IHPST), Prof Charles Wolfe (Université Toulouse 2-Jean Jaurès), Prof. Frédéric Worms (École Normale Supérieure), Dr Caterina Zanfi (CNRS, UMR 8547, École Normale Supérieure).

2016

Agrégation de philosophie, the most selective comprehensive national examination in philosophy.
Ranking: 50. Language: Ancient Greek.

2015-2016

Preparation to *agrégation*.
École Normale Supérieure Ulm.

2013-2015

Étudiante normalienne (École Normale Supérieure Ulm)

Master of Arts (honors) – Contemporary Philosophy.

École Normale Supérieure Ulm and École des Hautes Études en Sciences Sociales.

Dissertation: “Beyond finality: élan vital, disorder and creation from Bergson” (honors). Advisor: Prof. Frédéric Worms.

2010-2013

Bachelor of Arts (honors) – Philosophy.

Université Paris IV Paris-Sorbonne.

Bachelor of Arts (honors) – History.

Université Paris IV Paris-Sorbonne

University-Level Preparation Courses for entrance to Grandes Écoles – Philosophy.

Lycée Henri IV, Paris.

OTHER TRAINING COURSES

Training “**Vivre avec les autres animaux**” at UVED (Université Virtuelle Environnement et Développement durable) – completion certificate obtained in March 2022.

Courses “**Biodiversity and Evolution**” at AgroParisTech – 2019-2020, second semester.

Master 1 “**Systematic, Evolution, Paleontology – Ecology, Biodiversity, Evolution**” as an auditor at the Université Pierre et Marie Curie – 2017-2018.

PRIZES AND AWARDS

Thesis Award from the Maison des Sciences de l’Homme et de la Société de Toulouse (2023).

Prize at the *Concours général* (a national contest) in Philosophy (2009).

FUNDINGS AND FELLOWSHIPS

Leverhulme Research Project Grant RPG-2023-320 “Animal inventiveness: a new insight on agency in evolution” 2024-2027 (with Dr Alecia Carter). Host university: University College London.

Fellowship for the Villa Vigoni Trinationnal Summer School (Germany-Italy-France) on the theme “Life and Form”, July 2023, July 2024, July 2025.

EMBO Grant for the Venice Summer School 2022 on the theme “The Future of Evolutionary Systems Biology”, August 2022. [*Declined*]

Research fellowship awarded by the CNRS (in the framework of the IRN project “Global Bergsonism”), May-July 2022. Host university: University of Fukuoka.

Research fellowship awarded by the Alpha Doctoral School (Université Toulouse 2-Jean Jaurès), September-December 2020. Host university: University of Verona. [*Cancelled: Covid-19 epidemic*]

Doctoral research fellowship of the Université Toulouse 2-Jean Jaurès, 2018-2022.

RESEARCH

PUBLICATIONS

MONOGRAPHS

1. Tahar, M. *Bergson et la théorie de l'évolution. Du finalisme en biologie* [revised version of the doctoral thesis]. Paris: Presses Universitaires de France, under contract, to be published in 2024.
2. [Writing in Progress] Tahar, M. *Le temps du vivant*. Paris : Vrin, letter of intent from the publisher, to be published in 2024.

OTHER ACADEMIC ACTIVITIES

ORGANISATION OF INTERNATIONAL CONFERENCES, SEMINARS AND WORKSHOPS

Co-organiser (with Caterina Zanfi) of the seminar “Atelier Bergson” (École Normale Supérieure de Paris – CNRS, in the framework of the IRN project “Global Bergsonism”), since 2022 <https://bergson.hypotheses.org/1938> ; <https://bergson.hypotheses.org/2591>

Member of the organisation team of the project Global Bergsonism, with partners in France (SAB/CNRS/ENS Paris), USA (Penn State College), Canada (McGill), Japan (Hosei), Cameroon (Yaounde 1), Brasil (Federal U. São Carlos), Turkey (Yildiz Istanbul), 2019-2024.

Organiser of the international workshop “Bergson and vitalism(s) – an online workshop”, Ghent University – Université Toulouse 2-Jean Jaurès, April 29-30, 2021. <https://bergson.hypotheses.org/1887>

Co-organiser (with Alexis Boisseau and Jonathan Racine) of the international workshop “Heredity of information and biological innovation, how to think about the emergence of novelty”, Université Toulouse 2-Jean Jaurès, October 7, 2021.

SUPERVISING, MENTORING ACTIVITIES AND EXPERTISE

Member of the board of the Société des amis de Bergson since 2019.

Member of the editorial board of *Bergsoniana*, Société des amis de Bergson, OpenAccess, since 2020.

Guest editor of the Special Issue on Henri Bergson for *Parrhesia*, published in 2022. <https://parrhesiajournal.org/index.php/parr/issue/view/40/3>

Reviewer for: *Bergsoniana*; *Computational and Structural Biotechnology Journal*; *Progress in Biophysics and Molecular Biology*; Palgrave Macmillan.

Reviewer of applications for the National Science Center Poland (SONATA funding scheme).

Contribution to the edition of the *Leçons sur Aristote* from the manuscripts of Jacques Brunschwig, Paris, *Ellipses*, 2016.

Member of the scientific committee Sciences-Éthique-Humanités (Comité Consultatif National d’Ethique – Ecole Normale Supérieure Paris), 2013-2015.

TEACHING

2022-2024

Visiting Associate Professor (*Attachée temporaire d'enseignement et de recherches*) in Philosophy of Science at the Université de Lille. 192 hours/year teaching.

Undergraduate classes: philosophy of biology; general philosophy; animal philosophy; history of philosophy; Epistemology; methodology of Academic Work.

2023

Invited Professor at the Université Sorbonne Paris-Nord. (12 hours)

Graduate class to prepare the university diploma of canine mediator in social intervention: animal philosophy.

2021-2022

Assistant teacher at the Université de Rouen. (36 hours)

Undergraduate classes: history of modern philosophy; Kantian philosophy.

2018-2021

Doctoral student and teacher at the Université Toulouse 2-Jean Jaurès. 64 hours/year teaching.

Graduate classes: philosophy of biology; philosophy of time for students preparing for the *agrégation de philosophie*.
Undergraduate classes: philosophy of moral and politics; methodology of academic work; philosophy of sciences.

Invited teacher (*Colleuse*) in philosophy at the Lycée Henri IV, Paris (being a *colleuse* consists of preparing students for the oral exam of the Ecole Normale Supérieure competition).

2016-2017

Philosophy teacher at the Lycée Racine, Paris. 360 hours/year teaching.

Philosophy classes for high school students preparing the “Baccalauréat”.

2011-2015

Invited teacher at the Lycée Victor Duruy, Paris.

Occasional lectures on Kant’s *Critique of Pure Reason* (2011; 2012) and on Bergson (2015).

OTHER PROFESSIONAL EXPERIENCE

Editorial assistant of Erik Orsenna for *La Fabrique du neuf*, Paris, *Cherche-Midi*, 2018.

Glowbule – Vivre avec le cancer: president, 2015-2018.

Communication and event organisation. Fundraising. Contacting hospitals. Creation of the newsletter.

Institut Jean Nicod – Hôpital Albert-Chenevier: research internship, February-June 2014.

Under the supervision of Dr Tiziana Zalla and Dr Giovanna Girardi.

Theoretical and practical research internship on emotional management in patients with autistic disorders: setting up protocols for neuroscience and cognitive science experiments, assisting with the experiments themselves, handling the humanoid robot FACE, interviewing patients.
